

European ERA4CS Joint Call for Transnational Collaborative Research Projects 2016

Topic B - Researching and Advancing Climate Service Development by Institutional integration

Research Performing Organisation: **Helmholtz-Zentrum Geesthacht Zentrum für Material- und Küstenforschung GmbH (HZG)**

Notice: Depending on all conditions of eligibility and peer review being met, the overall in-kind contribution earmarked collectively by the participating Helmholtz-Zentrum Geesthacht Zentrum für Material- und Küstenforschung GmbH (henceforth HZG) for this call will be up to 5,214 Mill Euro according to exchange rates at time of funding.

For HZG enquiries please see contact information below.

Eligibility and funding modalities: The requested EC contribution for HZG of all proposals submitted with HZG participation shall collectively be limited to 2,543 Mill Euro. The requested EC contribution for HZG in individual proposals shall be limited to 2,543 Mill Euro. Funding plan should be drafted in accordance with H2020 ERANET CoFund financial rules

Proposals of sub-topic(s):

- B.1: Development of new methods and tools
- B.2: Impacts studies and models
- B.3: Generation of Climate Information and Uncertainties Evaluation

are eligible for HZG funding.

It is expected that applications to this call will be Collaborative Research Grants with the consortium composition as defined in the call document, and HZG will fund the HZG researcher of any successful trans-national collaboration, according to the general rules stated in the call.
