

European ERA4CS Joint Call for Transnational Collaborative Research Projects 2016

Topic B - Researching and Advancing Climate Service Development by Institutional integration

Research Performing Organisation: **BRGM**

Notice: Depending on all conditions of eligibility and peer review being met, the budget earmarked collectively by the participating **BRGM** for this call will be up to 0.7 **M€** (according to exchange rates at time of funding).

Details of the call and the application process are provided via the www.era4cs.eu website. Applicants are advised to contact their Research Performing Organisation Contact Point before starting to prepare proposals for application. For **BRGM** enquiries please see below.

Eligibility and funding modalities:

Proposals of sub-topic(s):

B.1: Development of new methods and tools

B.2: Impacts studies and models

B.3: Localization of Climate Information and Uncertainties Evaluation

are eligible for **BRGM** funding.

It is expected that applications to this call will be Collaborative Research Grants with the consortium composition as defined in the call document, and **BRGM** will fund the researcher of any successful trans-national collaboration.

RPO Contact Point shall be informed of any proposal by email seven days before the submission deadline and validate the RPO budget committed for the planned project.

Funding plan should be drafted in accordance with H2020 financial rules.
