

## European ERA4CS Joint Call for Transnational Collaborative Research Projects 2016

### Topic B - Researching and Advancing Climate Service Development by Institutional integration

#### Research Performing Organisation: Danish Meteorological Institute (DMI)

**Notice:** Depending on all conditions of eligibility and peer review being met, the budget earmarked collectively by the participating DMI for this call will be up to 1,59 M€ (according to exchange rates at time of funding).

The official call announcement has been published on the DMI website ([www.dmi.dk](http://www.dmi.dk)). Details of the call and the application process are provided via the [www.era4cs.eu](http://www.era4cs.eu) website. Applicants are advised to contact their Research Performing Organisation Contact Point before starting to prepare proposals for application. For DMI enquiries please see below.

**Eligibility and funding modalities:** Danish scientists participating in the ERA4CS Joint Call should belong to DMI.

Proposals of sub-topic(s):

[B.1: Development of new methods and tools](#)

[B.2: Impacts studies and models](#)

[B.3: Localization of Climate Information and Uncertainties Evaluation](#)

are eligible for DMI funding.

It is expected that applications to this call will be Collaborative Research Grants with the consortium composition as defined in the call document, and DMI will fund the DMI researchers of any successful trans-national collaboration.

Funding plan should be drafted in accordance with H2020 financial rules.
