

## European ERA4CS Joint Call for Transnational Collaborative Research Projects 2016

### Topic B - Researching and Advancing Climate Service Development by Institutional integration

#### Research Performing Organisation: **Department of the Environment, Community and Local Government (Met Éireann)**

**Notice:** Depending on all conditions of eligibility and peer review being met, the budget earmarked collectively by the participating [Department of the Environment, Community and Local Government \(Met Éireann\)](#) for this call will be up to 600 k€ (according to exchange rates at time of funding).

The official call announcement has been published on the [Department of the Environment, Community and Local Government \(Met Éireann\)](#)'s website. Details of the call and the application process are provided via the submission website. Applicants are required to contact their Research Performing Organisation Contact Point before starting to prepare proposals for application. For [Department of the Environment, Community and Local Government \(Met Éireann\)](#) enquiries please see contact information below.

**Eligibility and funding modalities:** [Department of the Environment, Community and Local Government \(Met Éireann\)](#)'s researchers are eligible to apply. See website for details.

Proposals of sub-topic(s):

[B.1: Development of new methods and tools](#)

[B.2: Impacts studies and models](#)

[B.3: Localization of Climate Information and Uncertainties Evaluation](#)

are eligible for [Department of the Environment, Community and Local Government \(Met Éireann\)](#) funding. [Department of the Environment, Community and Local Government \(Met Éireann\)](#) will fund up to 600 k€ per proposals.

It is expected that applications to this call will be Collaborative Research Grants with the consortium composition as defined in the call document, and [Department of the Environment, Community and Local Government \(Met Éireann\)](#) will fund the [Department of the Environment, Community and Local Government \(Met Éireann\)](#) researcher of any successful trans-national collaboration, according to the general rules stated in the call.

Funding plan should be drafted in accordance with H2020 financial rules.
