

## European ERA4CS Joint Call for Transnational Collaborative Research Projects 2016

### Topic B - Researching and Advancing Climate Service Development by Institutional integration

#### Research Performing Organisation: **Universidad de Cantabria-IHC**

**Partners:** This call is supported by [Universidad de Cantabria \(UC-IHC\)](#).

**Notice:** Depending on all conditions of eligibility and peer review being met, the budget earmarked collectively by the participating [Universidad de Cantabria-IHC](#) for this call will be up to **2.8 M€**. (according to exchange rates at time of funding).

The official call announcement has been published on the [Environmental Hydraulics Institute "IH Cantabria"](#) website. Details of the call and the application process are provided via IH Cantabria website <http://www.ihcantabria.com/en/> and Universidad de Cantabria website [www.unican.es](http://www.unican.es). Applicants are advised to contact their Research Performing Organisation Contact Point before starting to prepare proposals for application. For [Universidad de Cantabria-IHC](#) enquiries please see below.

**Eligibility and funding modalities:** [Details of the eligibility requirements for scientists to participate in the call will be published on the abovementioned websites.](#)

Proposals of sub-topic(s):

- [B.1: Development of new methods and tools](#)
- [B.2: Impacts studies and models](#)
- [B.3: Localization of Climate Information and Uncertainties Evaluation](#)

are eligible for [Universidad de Cantabria-IHC](#) funding.

It is expected that applications to this call will be Collaborative Research Grants with the consortium composition as defined in the call document, and [UC-IHC](#) will fund the [UC-IHC](#) researcher of any successful trans-national collaboration.

Funding plan should be drafted in accordance with H2020 financial rules.

Additional provisions: [UC-IHC](#) will not support projects regarding climate change mitigation.
